

# REMEMBER THAT THE MEDICAL PROFESSIONALS ARE THE TRUE HEROES

During times of emergency, medical professionals are on the front lines. Make sure to ALWAYS listen to what these medical professionals say.

# CONNECT EACH PERSON TO THEIR FRIEND & FAMILY MEMBER.

### KEEP SOCIAL DISTANCING

While we know you miss your friends and family, to stop the spread of the coronavirus, it's best to stay home and call them instead.

# CORONAVIRUS, THE "KING" VIRUS

Did you know the Coronavirus, is called that because Corona means crown in Latin. The Coronavirus actually looks like a spiky crown under a microscope.

# THE FACTS ABOUT CORONAVIRUS ★ MADLIB ★

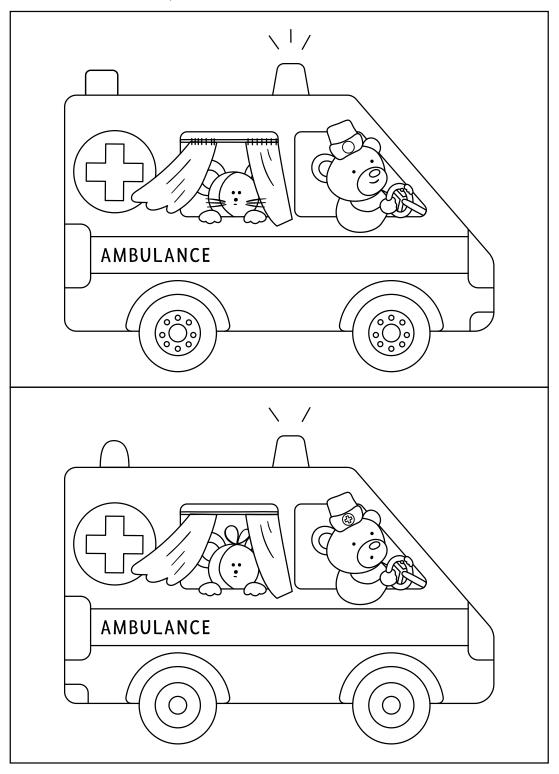

The coronavirus is a newly discovered In order to prevent
the spread of it, you must your hands often for at least
seconds. Always sneeze into your or in a
and thenit out. Avoidyour face. Don't
your mouth,your eyes oryour
your mouth,your eyes oryour nose. You should probably stopyour nose anyway. It's
! These places are where live and
you don't want to spread them. Stay at home, which means no going
to,or Seriously, don't go
anywhere, just stay HOME. Finally practice social, [verb-ing-17]
that means don't get closer than feet of anyone else.
Finally, an excuse to stay away from your
